WHO WE ARE

## A trusted cleaning partner with five years of proven results.

Core Cleaning serves residential, commercial, strata and clinical clients across Brisbane, the Gold Coast and Ipswich. For more than five years we've built our reputation the simple way: turning up on time, cleaning thoroughly, and leaving every space better than we found it.

Every job runs to a property-specific checklist, is quoted with GST included, and comes with one direct point of contact from first call to final inspection.
